

KWI NOVEMBER INSTITUTE MEETING IN MORGANTOWN. Plans as of September 14

Morgantown Logistics

- Hotel Morgan at 127 High Street (<http://www.clarionhotelmorgan.com/>)
- We have 20 rooms the WVU rate of \$69/day + taxes. There are limited rooms with 2 beds – so if you want those, contact them early. When you call, tell them you are with “Friends of Karst” (a WVU event)
- This block will be held until October 6th. After that, they can’t promise rooms but you can still get this rate.
- If you don’t mind walking, you can park your car at Hotel Morgan and not have to move it again until you leave.

FRIDAY NOV 10: Friends of Karst

- Brooks Hall (98 Beechurst) on the WVU Campus (<https://campusmap.wvu.edu>)
- Tentatively planned for 325 Brooks although we may have to move to a larger room
- We anticipate a start time of 12 or 1 PM.
- Talks will be either a 5-minute snap talk (1 slide only please) or a 20-minute more detailed talk. We will have limited space for the longer talks so don’t be offended if you request a longer talk but we assign you a snap talk.
- If we have folks who want to set up posters (some students will), we may set those up that morning.
- Parking – working out the final details

FRIDAY NOV 10 Reception

- Head to the Morgantown Brewing Company located at 1291 University Avenue (<http://www.morgantownbrewing.com>) where we will have a private room in the basement (it looks like a cross between an English pub and a cave). Appetizers and snacks will be provided thanks to our WVU sponsors. Beer and other drinks will be available at a cash bar.

Contact Numbers (Cell Numbers)

| | |
|----------------|--------------|
| Dorothy Vesper | 304-685-3372 |
| María Pérez | 304-594-8976 |

Early bird bonus:

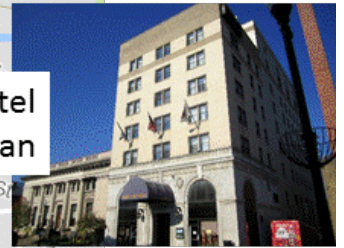

On Thursday Nov 9th (4 PM)
Sarah Carmichael will be giving the geology program colloquium about her research on mass extinctions. You are invited to join us for that if you come to town a little early.
